

**PRESS RELEASE****ACQUISITION OF ENVOY AIR ATR INVENTORY**

**Saywell International** are pleased to announce the purchase of a large package of ATR spares from **Envoy Air (formerly American Eagle Airlines)** containing over 15,000 lines of rotatable and consumable equipment.

The first of twelve 40ft container loads of parts will be arriving at our UK facility this month. All of the inventory will be held at our UK warehouse, conveniently located near to all of London's major airports.

Our dedicated team of experienced staff are on hand 24/7 to handle ATR enquiries and inventory levels can be checked via the Saywell website.

This latest acquisition reinforces our commitment to the future of ATR support and secures our place in the market as one of the World's largest independent stockists for the ATR platform.
